

Our Story

*On (wedding date) we will wed and start a new life,
Please join us to celebrate as we become (blank) & wife.
Our connection was immediate and truly a rare find.
The bond we built together simply one of a kind.
Then one day he would get down on one knee,
And we knew immediately that it was meant to be.
So as we embark on this journey our excitement is so strong,
To build our life together we simply can't go wrong.
This is our story to share with our family and friends,
And we truly hope our wedding you will kindly please attend.*
